Part II Activities and Operational Information

- 1 Provide a detailed narrative description of all the activities of the organization—past, present, and planned. **Do not merely refer to or repeat the language in the organizational document.** Describe each activity separately in the order of importance. Each description should include, as a minimum, the following: (a) a detailed description of the activity including its purpose; (b) when the activity was or will be initiated; and (c) where and by whom the activity will be conducted.

The Organization was formed in order to conserve the natural resources of its five county area while improving the economic and social well-being of all area citizens. The council forms partnerships with local groups to implement projects that will improve family income; enhance community services and infrastructure; reduce soil erosion and damages from sediment; and expand economic opportunities; while sustaining the natural resource base that has provided us with such a high quality of life.

The Organization's purpose is to provide both technical and financial assistance to units of government in installing erosion control projects on land having public benefits, recreational projects, and general rural development efforts. The Council seeks funds from private foundations, federal, state and local governments, etc. The reason for applying for this exemption is that the foundations usually require the certification of exemption before they will commit funds to a project.

Grants from private foundations, corporations, individuals and from government sources. Dues from member county commissions. (Total - \$3,000 annually)

PART III

(4) This organization was formed in September, 1979 . Prior to now, the organization has had no income other than dues paid by the member counties. The organization now plans to apply for grants from private foundations, governments, corporations and individuals to fund this natural resource conservation effort since federal funds are sharply reduced. Most all foundations require that grant applicants have tax exempt non-profit status. Therefore, we are now applying for this exemption in order to receive these operating funds.

Part III Technical Requirements

1 Are you filing Form 1023 within 15 months from the end of the month in which your organization was created or formed? Yes No
If you answer "Yes," do not answer questions on lines 2 through 7. (See attached sheet)

2 If one of the exceptions to the 15-month filing requirement shown below applies, check the appropriate box and proceed to question 8.

Exceptions—You are not required to file an exemption application within 15 months if the organization:

- a Is a church, interchurch organization of local units of a church, a convention or association of churches, or an integrated auxiliary of a church (see instructions);
- b Is not a private foundation and normally has gross receipts of not more than \$5,000 in each tax year; or
- c Is a subordinate organization covered by a group exemption letter, but only if the parent or supervisory organization timely submitted a notice covering the subordinate.

3 If the organization does not meet any of the exceptions on line 2, are you filing Form 1023 within 27 months from the end of the month in which the organization was created or formed? Yes No

If "Yes," your organization qualifies under section 4.01 of Rev. Proc. 92-85, 1992-42 I.R.B. 32, for an automatic 12-month extension of the 15-month filing requirement. Do not answer questions 4 through 7.

If "No," answer question 4.

4 If you answer "No" to question 3, has the organization been contacted by the IRS regarding its failure to file Form 1023 within 27 months from the end of the month in which the organization was created or formed? Yes No

If "No," your organization qualifies for an extension of time to apply under the "reasonable action and good faith" requirements of section 5.01 of Rev. Proc. 92-85. Do not answer questions 5 through 7.

If "Yes," answer question 5.

5 If you answer "Yes" to question 4, does the organization wish to request relief from the 15-month filing requirement? Yes No

If "Yes," give the reasons for not filing this application prior to being contacted by the IRS. See Specific Instructions, Part III, Line 5, before completing this item. Do not answer questions 6 and 7.

If "No," answer question 6.

6 If you answer "No" to question 5, your organization's qualification as a section 501(c)(3) organization can be recognized only from the date this application is filed with your key District Director. Therefore, do you want us to consider the application as a request for recognition of exemption as a section 501(c)(3) organization from the date the application is received and not retroactively to the date the organization was created or formed? Yes No

7 If you answer "Yes" to the question on line 6 above and wish to request recognition of section 501(c)(4) status for the period beginning with the date the organization was formed and ending with the date the Form 1023 application was received (the effective date of the organization's section 501(c)(3) status), check here and attach a completed page 1 of Form 1024 to this application.

Part III Technical Requirements (Continued)

 Yes (Answer question on line 9.)
 No (Answer question on line 10 and proceed as instructed.)

- 9 If you answer "Yes" to the question on line 8, does the organization claim to be a private operating foundation?
 Yes (Complete Schedule E)

After answering the question on this line, go to Part IV.
