

The Cawaco RC&D Council is actively involved in the management of multi-county, cross-jurisdictional projects that address natural, financial, and/or human resource opportunities within Blount, Chilton, Jefferson, Shelby, and Walker Counties. Many of these projects involve partnerships between local businesses, governmental agencies and citizen volunteers.

BASIC INFO

- We serve Blount, Chilton, Jefferson, Shelby and Walker Counties of Alabama
- We award approximately \$200,000 in grants each year
- The grant application becomes available April 1 through July 1 of each year, with awards announced in September
- Final reports are due August 1 of each year
- Awards are \$5000 minimum and no more than \$10,000 unless the project affects more than one county and grantee has spoken with the Programs Manager
- New applicants should call or email, get a letter of support, or a recommendation from a Board Member prior to applying
- ALL GRANTS ARE REIMBURSABLE
- Grantees who do not use their grant award and fail to cancel their grant are ineligible to reapply for a minimum of 2 years

How Are Grants Chosen?

Each year, we receive far more applications than we can possibly fund.

- A Board Member from each county serves on the Grant Committee
- The Grant Committee members review and score each grant
- The Grant Committee considers the following:
 - Projects must meet Cawaco Areas of Focus
 - Projects where a small amount will make a big impact
 - Community need, public support, and area/number of people affected
 - Partnerships, volunteers and donations
 - Grants must meet Cawaco Goals and Objectives
 - If the grant committee member knows you or your organization, it helps.

***If you would like to contact the grant committee member in your area to discuss your project with them, we encourage you to do so. Call Patti for more information.205-623-0457*

What types of projects have we funded?

Environmental Projects:

- ❖ Drought tolerant landscaping
- ❖ Water catchment systems
- ❖ Environmental education
- ❖ Parks and trails

First Responder Support:

- ❖ Equipment upgrades
